感謝信函

I hope you are well, My sincere apologies for this delayed reply.

Here are the photos that you requested. My students wrote their THANK YOU letters. I will send the envelope soon.

Thank you again for your time and dedication to the students. They learned so much about the work that the city government of Taichung is doing. As well, they were surprised and delighted by the many "green" features of the building.

Thank you again for your support and assistance.

Sincerely,
